## ABOUT US:

Our mission is to promote progression of freestyle scooter riding by showcasing the industry's best content, from unknown riders to world class pros on one central hub. By hosting international events and promoting riders through our digital community, OHLAY connects scooter riders around the world and has created a community that focuses on the evolution of the sport.

**“ THE CORE OF WHAT  
ACTION SPORTS IS RIGHT  
NOW, IS SCOOTERING ”**

**- TRAVIS PASTRANA**  
*(Action Sports Icon)*

## SOCIAL ENGAGEMENT

We have quickly accumulated a global following within our industry and are currently hosting the largest online contest in the sports history.

## OUR INDUSTRY

Our industry is growing rapidly everyday and has quickly become one of the largest action sports worldwide.

## THE POTENTIAL

Skateboarding is a multi-billion dollar industry. Scootering is where skateboarding was 30 years ago.

**THE PURPOSE OF THE OHLAY TOKEN IS TO  
SPREAD ADOPTION INTO OUR CUTTING  
EDGE GLOBAL COMMUNITY.**

# The Team

**Vittorio Minacori**

Smart Contracts Developer

We are extremely fortunate to be working with Vittorio Minacori, a leader in the crypto space. Vittorio specializes in building next generation web apps and blockchain technologies. With 20+ projects under his belt he will be handling the code and creation of the OHLAY Token.

- *GitHub code will be public for the community to read, before presale goes live*
- *Vittorio will be writing the crowdsale contract to ensure the presale goes smoothly.*

**Jared Adelson**

OHLAY Brand | Founder

Jared is a world-renowned leader in his industry & has travelled the world as a professional rider. His years of graphic design & advertising experience alongside his knowledge of the sport has propelled OHLAY Brand's growth from humble beginnings to an international brand & industry media hub.

**Nicholas Bowker**

Community Moderator

Nick is a seasoned cryptocurrency investor and Uniswap trader. His radiating passion for the space, makes him the perfect person to interact with the Uniswap community. With any questions about the OHLAY token, [shoot Nick a message](#) and he will be more than happy to hop on a call.
